Ian Heming Ministries Pty Ltd, United States, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.We all make decisions on a minute by minute basis as we live and we have then to live out the fruit of our decisions. Wouldn't it be wonderful if all our decisions were great ones which lead to our long term benefit and did not open us up to future damage and hurt? Following on from the author's earlier book *Hurt by Life, Healed by Jesus*, this book helps us to make good decisions and explores those areas of personal direction which help shape us as we travel along life's path. For example, many of us search for happiness but deep seated contentment is perhaps a better goal to pursue as this allows us real inner peace in all circumstances. The author often speaks from a personal perspective and provides many analogies which make the reading of this book entertaining, light and easy to absorb. If you think you could do better in terms of the direction you ought to go in, then this should be a real help. Or if you are fed up with your life and want to make changes for the better then this book can help you think about the right things in terms of what is really important and what is not. This is not academic up in the air material but is solidly founded and very practical for the reader to follow and adopt. About the Author: Dr Ian Heming is a respected teacher, businessman and minister of God's love. Starting life as a graduate teacher, he pursued an academic pathway obtaining a Master of Science Degree in Experimental Nuclear Physics and...
