Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

PLAYING WITH FIRE: A CHILDHOOD MEMOIR (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A bitter-sweet memoir in the style of Jean Shepherd, **PLAYING WITH FIRE** hearkens us back to the 1950s, when neighborhoods were not yet the hoods, when fathers worked all the livelong day and mothers baked cookies over the hot stove in the kitchen, and when kids were set free every day to explore the dark world of bullies; of the dozens of unleashed German shepherds, bulldogs, and other Hounds of the Baskervilles roaming the streets; and of the off-limits hot-spots like the cave, the cliffs, the dams, and the trestle (all with no more than a cheerful, Just don't forget to be back home by bedtime, Honey!). Somehow, in spite of all this, a handful of us baby-boomers managed to survive. This is the story of one of them.
