Another version represents this monstrous boar, which played the part of a mediaeval dragon, as having been killed by the united action of the inhabitants. There is yet another tradition, which attributes its slaughter to S. Beuno, who paid Eglwys Fach a special visit for the purpose. According to this, Carrog somewhat resembled a flying serpent, which made its appearance in the daytime, kidnapping and eating children. S. Beuno, from the church tower, directed an arrow to the tender spot on its throat-- the only vulnerable part on its body--and this took fatal effect. There is a tumulus, called Bedd Carrog, at Eglwys Fach, which tradition points out as the monster s grave.¹ The word carrog means a brook or torrent, and is the name of some half a dozen streams in Wales. A good number of the Welsh river names bear a swine signification, or are in some way or another associated by legend with swine. In the Taxatio of 1291 the church is called Eglwys Ewach, and in the Valor of 1535 the living occurs as Rectoria de Vach. These, as well as later forms, show that the name is really Eglwys y Fach, meaning the church in the nook or angle, which accurately describes its situation in the Conway Valley. If dedicated to a S. Bach, who founded it in the...
