Excerpt: . chapter vii the industrial republic and now let us imagine that society has abolished exploitation and the competitive wage-system, and got its breath and found leisure to examine itself under the new regime. How will it find things proceeding? One of the first objections that you will run up against, if ever you-start out to agitate Socialism, is your lack of definiteness. Give us your program, people will say--we want to know what sort of a world you expect to make, and how you are going to make it. And they will grow angry when they find that you have not a cut-and-dried scheme of society in your pocket--that you have stirred them up all to no purpose. And yet that is just what you have to go on doing. There used to be Utopian Socialists--Plato was the first of them and Bellamy...
