Pop s Short Stories (Paperback)

By Edd Thomas R Shipley, Thomas R Shipley

Createspace, United States, 2013. Paperback. Book Condition: New. Jodi Hoover (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Each of my stories as told here is, with very rare exception, based on actual events and situations experienced by me or told to me by my father. Each story is short by design. Each is void of fluff. It is my desire to impress you with concepts and ideas, unencumbered by verbosity. If, according to Shakespeare, . . . brevity is the soul of wit, it is my intention to capture the essence of the actual wit we experience in our everyday lives. Within each story there can be found a lesson, a smile, a tear, or a moral. In some stories - all four. On the other hand, each can be read for light entertainment, leaving the depths to be pondered by others. Each of these little stories will serve a dual purpose. Primarily, I hope they will bring you a smile or a tear as you join me in what may at first seem to be only light reading. Relax and fly with me as we relive these actual events of bygone days....
