Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

NIGHTMARE ACADEMY: CHARLIE Y EL MUNDO DE LOS MONSTRUOS

Puck. Hardback. Book Condition: new. BRAND NEW, Nightmare Academy: Charlie y el Mundo de los Monstruos, Dean Lorey, Brandon Dorman, Nuria Marti, When Charlie Benjamin sleeps, monsters wake up. It's hard to fit in when your nightmares open portals to the Netherworld, where horrible creatures live--like the class 3 Netherstalker that invaded a sleepover and tried to eat the other children. Luckily there's a place for Charlie--the Nightmare Academy. Built from wrecked ships set in the branches of the world's most incredible tree fort, the Academy trains people to use their unique gifts to fight the monsters that rush in when the lights go out. But Charlie is far more powerful than anyone ever imagined, and his entrance exam opens a portal straight to the heart of the Netherworld, where ultimate evil plots Earth's destruction. He'll need all his cleverness--and the help of his new friends--to save himself and his family and to put these bad boys to bed once and for all. The monsters under your bed are real! But never fear--the Nightmare Academy will train Nethermancers and Banishers like you to destroy them!.
