This is the first part of the Henriad , continued with the two parts of Henry IV and concluded by Henry V. This Penguin Shakespeare edition is edited by Stanley Wells with an introduction by Paul Edmondson. Not all the water in the rough rude sea Can wash the balm off from an anointed king . This book contains a general introduction to Shakespeare s life and Elizabethan theatre, a separate introduction to Richard II, a chronology, suggestions for further reading, an essay discussing performance options on both stage and screen, and a commentary.
