*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

## A FAMILY HERITAGE: THE STORY AND SONGS OF LARENA CLARK

University of Calgary Press. Paperback. Book Condition: new. BRAND NEW, A Family Heritage: The Story and Songs of LaRena Clark, Edith Fowke, Jay Rahn, New folk music and folk-song materials in this comprehensive study are particularly important for singers, folk music enthusiasts, ethnomusicologists, comparative and cultural studies scholars, and those interested in Canadian culture. LaRena Clark was a great singer and knew many fine songs. Her wide repertoire covers almost the complete range of types and topics of traditional Anglo-Canadian songs. Comparison with other collections in Canada, the United States, the British Isles, and Australia indicate just how unique and far-reaching it was. Clark's background and her varied ancestry shaped her repertoire. The account of her parents' activities gives a vivid picture of folk life in rural Ontario during the early years of this century. She knew some Canadian songs previously unreported, and she wrote songs with a strong Canadian flavour. Musically, Clark's songs are a microcosm of practices characteristic of British folk music throughout the English-speaking world. Particularly noteworthy is her constant reworking of traditional materials, procedures, forms, and individual tunes.
