By Carole Sharman, Wendy Cross, Diana Vennis

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Observing Children and Young People (4th Revised edition), Carole Sharman, Wendy Cross, Diana Vennis, Observation is an essential skill for all who work as carers and educators of children. It is the key way to assess a child's stage of development, to assess their progress, to alert you to their needs, to plan for their teaching and to enjoy each child's unique qualities. This book has been written to guide you through the process and to become a skilled practitioner. "Observing Children and Young People": is based on real observations; describes aims and objectives; illustrates methods of recording observations; provides guidance on observing children with SEN; suggests activities for promoting progress; and offers a detailed breakdown of developmental milestones. Now in its 4th edition, this is a well-established, user-friendly and invaluable guide to observation techniques for everyone working with children and young people, with new material on observation of an extended age range, from 0-16 years. It is essential reading for all CACHE, Edexcel, Open University and City & Guilds validated courses for a vast range of childcare practitioners who work in a variety of settings, including schools, nurseries, hospitals and...
