Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.They called her Annie Oregon and were not surprised when she decided to leave Oklahoma leading her own wagon train to follow the pioneer trails to Oregon Territory in the mid-1880 s. With three friends and riding Charley-boy, Annie Oregon led the way to Oregon City in the Territory of Oregon where the four women established a homestead and constructed all that was needed for the Double O Ranch, so named for Oklahoma and Oregon. The trail was treacherous with wolves, attempted rape, train robbery, dust storms, and other dangers. On the way, they met a couple selling two children whom they rescued and loved. Travel and homesteading in America s Old West was successful for families with the courage and determination of Annie Oregon. She looked tough, talked tough and even laughed tough so people usually stepped away and let her go on her way, thankful when she did. Her friends knew her toughness was an act of protection so nobody would bother her. They called her Annie and knew she could always be counted on as a friend. Annie Oregon grew up on her grandfather s ranch near the Washita River Her grandfather taught his granddaughter everything he knew by the time she was twenty-five and he died leaving the farm to her. One day, Annie Oregon went to visit with her seamstress, Calico Katy, for a fitting. Calico Katy was the only woman Annie every went to when she wanted another jacket, vest, pants and even warm winter socks. Her pants fit nicely over cowboy boots and had buttons on both sides, never in front like those the men wore. All the items...
