WHARTON ON MANAGING EMERGING TECHNOLOGIES

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Wharton on Managing Emerging Technologies, Robert E. Gunther, George S. Day, Paul J. H. Schoemaker, Emerging technologies such as the Internet and biotechnology have the potential to create new industries and transform existing ones. Incumbent firms, despite their superior resources, often lose out to smaller rivals in developing emerging technologies. Why do these incumbents have so much difficulty with disruptive technologies? How can they anticipate and overcome their handicaps?...

Reviews

I actually started off reading this article ebook. It is written in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dessie Witting**

Absolutely among the best publication I have at any time go through. It is definitely basic but shocks from the 50 % of the book. I discovered this book from my i and dad advised this publication to find out.
