Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It's 1569 in Transylvania; Leal Irvine has committed to a powerful man all for the sake of revenge. Handsome, young Irvine is a high-ranking magician working for Esmour's organization, Destin, which is composed of Dark magicians from around the local areas. However, one by one magicians vanish or die, and suddenly the world of magic is not as safe as it once was. One of the members and Leal's best friend, Nicia, betrays the organization before the downfall. Unfortunately no one realizes the act of treason might have saved her life. A year later Destin has fallen, and Leal sees the world through icy blue eyes. With only five Dark magicians alive his survival is constantly threatened, and he has no great leader or trusted allies to turn to. After infiltrating Belsgar and killing a member of the Magic Council, a war between darkness and light is no longer something anyone can walk away from. A new villain rises with a secret that could be deadly; meanwhile Nicia works to prove her loyalty to Leal while trying to revive their friendship. Sides will be chosen, relationships will be at stake, and in the end the balance of the magical world will depend on the outcome of the war. When you're walking on a thin line between revenge and forgiveness how do you choose the right path without stepping too far over the crack?.
