Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

FREUDS MEGALOMANIA

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 7.8in. x 5.0in. x 0.5in. Wonderfully contrived . . . a triumph of that false-memory syndrome called contemporary fiction. New York Times Book Review In an inventive blending of comic energy and intellectual muscle (The New Yorker), Israel Rosenfield serves up for our scrutiny and sheer delight Freuds long-lost last manuscript, which reveals a Freud who in reflecting upon his lifes work realizes that he has gotten it all wrong! A victim of his own self-delusion, Freud goes about setting the record straight with a preposterously seductive new theory of human behavior: it is not drives that motivate us, but rather our boundless capacity to deceive ourselves. Such are the explosive contents of his last manuscript, Megalomania. Its discovery years later prompts a postmortem that effectively puts the icon to rest, resurrects the man, and exposes the naivet of Freuds disciples and the megalomaniacal tendencies of his detractors. This wise and witty (Boston Sunday Globe) intellectual spoof delivers a surprising twist on history and a playful challenge to todays enduring Freud debate. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
