

The Origin Growth of Greater Britain: An Introduction to Sir C. P. Lucas's Historical Geography (Classic Reprint) (Paperback)

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Origin Growth of Greater Britain: An Introduction to Sir C. P. Lucas s Historical Geography The Introduction to a Historical Geography of the British Colonies, which was written by my friend Mr. C. P. Lucas in 1887, being out of print, and the author being unable to prepare a new Edition, I have at his request and that of the Delegates of the Clarendon Press undertaken the work. In view of the great development of colonial questions, which has taken place in the interval between 1887 and the present time, and of the fact that several books have been published, giving a general and succinct account of the British colonies, it was thought advisable, not merely to edit and revise the former book, but somewhat to enlarge its scope, while incorporating the old matter, where it covered the same ground. General histories assume a knowledge of economic facts which is often absent. Some grasp of questions, such as the mercantile system and the labour problem in new countries, seems desirable before entering upon a detailed study of the political history. Again, a history of the British colonies, as they are, should find room in an Introduction for a brief consideration of that other colonial empire, which was English and is now an English-speaking World-Power. Lastly, some explanation of the manner in which the system of colonial government was developed in the course of three centuries may usefully precede a study of the historical facts. For any views which are expressed upon debateable questions I am solely responsible. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
