Every time I tell my mom that I cant get the black spot off her living room wall no matter how hard I try, she answers, Just use a little more elbow grease. First of all, I dont have any grease on my elbow. That is actually insulting, even to a nine-year-old. Second, how in the world will grease help in removing a black spot If elbow grease is that good, wouldnt they be advertising it on TV Yeah, I can see it: Elbow Grease in a Jar. For cryin out loud, wouldnt I have read about it in my third-grade science book Combining his love for Gods Word, moments from his youth while growing up with eight brothers and sisters in the 1960s and 1970s, and a desire for people to see Christ in their everyday lives, Tim uses a lively sense of humor to create fifty plus short devotional stories for the whole family to enjoy. Tim has been involved in ministry work for the past 20 years and is a national speaker on teaching and family topics. He possesses a Masters degree in Adult Education and a Bachelors degree in Business Administration. He and his wife, Tammy, are the proud parents of two sons, Ben and Luke.
