FINDING THE WAY

Paperback. Book Condition: New. Not Signed; An attractive series of geography books that explores the relationship between people and their environment. Each book starts with a child's local, familiar surroundings before looking at the way people live in other parts of the world. Colourful photographs and cheerful illustrations complement the text, which investigates themes such as environmental change, sustainable development and population and planning. As well as being informative, the books encourage children to think and enquire about issues for...
