iUniverse. Paperback. Book Condition: New. Paperback. 188 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Meet Eugene Weisberger, 76-year-old adventurer, and read his inspiring short stories. At 68, Gene had his first of many cancer bouts. He wondered if he would ever travel again. His oncologist assured him traveling never effects growth of cancer cells and make the best use of your time. This collection of short stories is about the adventures of a world traveler who would not give up an active exciting life for a dreaded disease. It is the study of a mans indomitable spirit, a love of life and, against all odds, to quote Joseph Campbell, would not cease to follow his bliss. Sometimes in a wheelchair, (Wheeling Around The Nile) often with a cane and under narcotics for pain, (Five Days In Hell) Gene continued to see the world and its beauty, (Misty Peggys Cove) and people and their struggles (Chinas 1. 2 Billion). Gene is an inspiration to many of his on-line readership of hundreds who look forward to his adventure stories (Life and Death In the Serengeti) in out-of-the-way places. (Exciting Spitzbergen) One trip he and his wife never took was to Antarctica (because of a setback in his cancer battle). He still dreams of traveling there and some day will. When he announces his next destination, his family no longer says, what, youre going where! but rather Send a post card or buy a souvenir. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
