iUniverse Star. Paperback. Book Condition: New. Paperback. 262 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. Our Choices, Our Lives: Unapologetic Writings on Abortion A riveting collection of writings, Our Choices, Our Lives challenges those who reduce abortion to pro and anti, and reveals the many faces of the abortion issue. The anthology explores the people behind the political question: Should abortion be legal? Our Choices, Our Lives takes the abortion issue to a new level. Women's personal testimonies about their abortion experiences reveal the liberating, sometimes poignant, reality that can accompany the choice to end an unplanned and unwanted pregnancy. Women's health care workers, from counselors to doctors, compassionately bear witness to women's abortion experiences, and provide patients with medical and educational services in an environment that can be physically and emotionally dangerous to both themselves and their patients. Our Choices, Our Lives concludes with the critical deconstruction of the state of abortion politics by political and religious activists and outlines the political, social, economic and moral imperatives behind protecting a woman's right to choose abortion. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
