Exsanguinate: Exsanguinate - A Vampire Urban Fantasy Series

By Killion Slade

Spirit. Paperback. Book Condition: New. This item is printed on demand. Paperback. 300 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. A Halloween scream night theme park adventure for software gaming developer Cheyenne O'Cuinn reveals a hidden supernatural reality she never dreamed existed. Recovering from a vicious attack and her sisters' abductions, Cheyenne must rescue her sisters from vampiric kidnappers before they're used to breed warmongering dhampirs. Betrayal lurks in every corner. Cheyenne must evade attackers by unconventional means through her online role-play game. She must navigate through virtual, tortuous clues and mailed body parts, which cross over from her virtuality into reality. Can a team of dragons, vampires, and werewolves come together to help her? Who can she trust? Will the help from her virtual lover become compromised when he learns of her new immortal existence and crush the fragile love they share? Amidst an impending vampire apocalypse, Cheyenne finds herself both in conflict for survival and for her heart. Will her immortal self derail any hope of solving the multiplying puzzles before time runs out to save her sisters, herself, and her humanity? This item ships from La Vergne, TN. Paperback.

Reviews

I actually started looking over this publication. It really is really interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
