Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Culinary Herbs: Their Cultivation, Harvesting, Curing and Uses A small boy who wanted to make a good impression once took his little sweetheart to an ice cream parlor. After he had vainly searched the list oi edibles for something within his means, he whispered to the waiter, Say, Mister, what you got that looks tony an tastes nice for nineteen cents? This is precisely the predicament in which many thousand people are today. Like the boy, they have skinny purses, voracious appetites and mighty yearnings to make the best possible impression within their means. Perhaps having been invited out, they learn by actual demonstration that the herbs are culinary magicians which convert cheap cuts and scraps into toothsome dainties. They are thus aroused to the fact that by using herbs they can afford to play host and hostess to a larger number of hungry and envious friends than ever before. Maybe it is mainly due to these yearnings and to the memories of mother s and grandmother s famous dishes that so many inquiries concerning the propagation, cultivation, curing and uses of culinary herbs are asked of authorities on gardening and cookery; and maybe it is because no one has really loved the herbs enough to publish a book on the subject. That herbs are easy to grow I can abundantly attest, for I have grown them all. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
