

Problems in Historical Epistemology (Paperback)

Filesize: 4.66 MB

Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Germaine Welch)

PROBLEMS IN HISTORICAL EPISTEMOLOGY (PAPERBACK)

DOWNLOAD

Springer, Netherlands, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was only after I had finished this volume that I came across the book by Barry Barnes, *Scientific Knowledge and Sociological Theory* (Routledge and Kegan Paul). I am in full agreement with certain ideas expounded in that book, although it also contains others that I must object to. I have decided to make some remarks about them at the beginning of my book, as I believe that they may prove useful by way of introduction to the English version of this volume. I hope that anyone who has professional reasons to turn his attention to this volume will have acquainted himself with *Scientific Knowledge and Sociological Theory* before he proceeds any further. I fully share Barnes view that it is possible and desirable to undertake descriptive-sociological investigations of scientific research. The main subject of this research should be the natural science, and, moreover, such findings in these sciences whose cognitive value has never been questioned by professionals. These investigations must avoid becoming entangled in epistemological controversies, and through epistemology in philosophical controversies. They must not defend any of the contended theses and must not literally rely on evaluative premises that have been questioned. Softcover reprint of the original 1st ed. 1988.
