Saktik (Classic Reprint) (Paperback)

By J Meckel

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Saktik There are books on costs in all the important branches of engineering except coal mining. The author has waited patiently the advent of a similar work in his chosen field and none having been forthcoming he has made bold to venture the effort himself. Obviously a work of this character cannot be up-to-date as to costs in dollars and cents because of the wide fluctuations in the purchasing power of the dollar in labor, equipment and material, particularly during the last five years. There has been no hesitancy, therefore, in using data of a number of years back so long as the subject discussed is still in general use as in the case of the comparative costs of wood and masonry brattices, etc. The reader will have no difficulty in interpolating the figures given to conform to current standards and to facilitate this a table giving all the wage scales in the Central Competitive District since 1898 has been given on page 158. Thus if a certain piece of work required the services of...
